X1C 5X1C	installation, previously seen at the athletic field southeast of the railroad station, was no longer there. Only individual air force soldiers were seen near the Jaeger Kaserne and the building of the landesregierung. An undetermined number of soldiers wearing red-bordered black and black-bordered red epaulets were seen. The guards were black-bordered red epaulets. Trauersdorf (P 48/X 55) airfield was observed from a distance between 2 and 3 p.m. on Five fighters with two-bladed propellers, three brick buildings, a hangar, a fuel dump, and a radio installation with an antenna mast were seen. The antenna most had wires radiating to the ground. No flights were made. * Comment. The observations confirm previous information that the quarters
